Good Discussion Taking Place on County Road Plan

As would be expected, County Council is taking a lively interest in the proposed road plan and program being put forward by the Road Board. The program, of finally no longer to postpone any more a period of 10 years, and to not postpone to a later date, is being discussed by the Council. The program is to be approved by the Council, and then to be presented to the voters for their approval.

LETTERS TO EDITOR

Letter Advocates Vote On County Road Plan

From Alberta
March 13, 1984

You will recall that only last week we had a referendum on the proposed County Road Plan. The results of the referendum were a clear majority in favor of the plan. This is a great victory for the County and for the people of the County. The plan will improve the roads in the County and will make it easier for people to travel. The plan is a great example of the County's commitment to the people and to the future of the County.

Recalls Two Stories For Anniversary Issue

Don, Alvin, I am in your group that you recall the stories which were published in the Stettler Independent in 1982 when the town of Stettler celebrated its 100th anniversary. I am sure that you will find the stories of interest and that they will be a good reminder of the town's history.

Ladies U. Martin 94, Dies at Home

Ladies U. Martin, 94, died at her home in Stettler, Alberta, on Tuesday, March 13, 1984. She was born in Stettler and had lived in the town for most of her life. She was a member of the Stettler United Church and was active in the church. She was a very kind and generous person and was loved by all who knew her. Her funeral will be held on Thursday, March 15, at 10:00 a.m. at the Stettler United Church. Burial will be in the Stettler Cemetery.

Blueprint for Convenience

When planning your new home, include extension telephone outlets to always have a phone within reach. You'll want one in the kitchen to save steps and stairs and time... there should be one in the bedroom for night calls... a phone for Dad in his den or workshop... and a phone in the family room for all to enjoy. Extension phones today mean more than convenience... they add a colorful modern accent to every decor.

Color extension phones available in these decorative colors: TURQUOISE - SAND BEIGE - CLASSIC ROSE - FOREST-HELMET BLUE - CAMELLIA PINK - GARDEN WHITE - PINKISH GREY - FLAME RED - GUNNY YELLOW - NATURAL GREY

Gadsby News

Continued from page 1
The Gadsby family, who have been in the area for many years, are planning to move to a new home in the near future. The family consists of Mr. and Mrs. Gadsby and their children. They are looking for a larger home with more space for their growing family. The new home is located in a quiet neighborhood and is expected to be completed within the next few months. The Gadsbys are excited about their new home and are looking forward to settling in.

Alberta Women's Institute Stettler Constituency Report

The Alberta Women's Institute (AWI) Stettler Constituency held its annual general meeting on Tuesday, March 23, at the Stettler Community Centre. The meeting was attended by approximately 40 members and guests. The report for the past year was presented by the president, Mrs. J. Macdonald, who reported a successful year for the constituency. The report highlighted the various projects and activities undertaken by the members, including the successful completion of the Stettler Women's Institute building. The meeting was held in the evening and was well-attended. The president thanked the members for their support and commitment to the AWI. The meeting concluded with a social hour and refreshments.

Mr. Dave Macdonald's Car Auction Sale

During recent months, Mr. Dave Macdonald has accumulated a fine collection of cars and trucks. He is now offering these vehicles for sale at a special auction sale. The sale will be held on Saturday, April 17, at the Stettler Community Centre. The vehicles on offer include a 1978 Ford Mustang, a 1979 Chevrolet, a 1980 Ford Bronco, and a 1981 Ford F-150. The sale is open to the public and all interested parties are invited to attend. The auction will be held from 10:00 a.m. to 1:00 p.m. For more information, contact Mr. Dave Macdonald at 123 Main Street, Stettler, Alberta.

Westwoods District News

The Westwoods District has been successful in securing a grant from the federal government to fund a new community centre. The grant will be used to purchase land and build a new building. The community centre will be a multi-purpose facility that will serve the needs of the residents of the Westwoods District. The centre will include a library, a meeting room, and a recreation area. The project is being led by the Westwoods District Council. The council has been working hard to secure the grant and is pleased with the results. The new community centre will be a great asset to the Westwoods District and will provide a place where residents can come together and enjoy the amenities of the centre.

The Westwoods District Council is pleased to announce the successful completion of the grant application process.

Alberta Loans To Students Increase

A substantial increase in the number of students receiving loans from the Government of Alberta is reported by the Minister of Education, Mr. J. A. McLean. In the 1972-73 school year, the number of students receiving loans increased by 10 per cent over the previous year. Mr. McLean stated that the increase was due to a combination of factors, including a rise in the number of students attending post-secondary institutions and a decrease in the number of students receiving bursaries. He also noted that the Government was committed to providing financial assistance to students in need.

Table 1: Student Loans by Region (1972-73)

Region	Number of Students
Calgary	1,200
Edmonton	1,500
Stettler	1,800
Other Regions	2,500
Total	7,000

Table 2: Student Loans by Program (1972-73)

Program	Number of Students
University	4,500
College	2,000
Vocational	1,500
Other	1,000
Total	9,000

Macduff Ottawa Report

The Ottawa report, which was released by the Macduff Commission, states that the Government of Canada has a responsibility to provide financial assistance to students in need. The report also notes that the Government should consider the needs of students from low-income families and provide them with additional support. The Macduff Commission was established to study the needs of students and recommend ways to improve financial assistance programs.

SPRING CLEAN-UP

Seaford Fire Department will burn grass and weeds for Town Residents and property owners to assist in town clean-up. Please contact Seaford Fire Department at 742-2291 or 742-2286. Do not use the Fire Phone - This number is for FIRE ONLY.

These are new graves; they are the twelve new graves opened every day of the year for auto accident victims in Canada.

Statistics are told. They say you will die - they say you will live. They don't go on to say that you will live if you are not a victim of an auto accident. The statistics are sobering, but they also serve as a reminder of the importance of safe driving. We must all take responsibility for our actions on the road and work to reduce the number of accidents. Please drive safely and wear your seat belt.

Cancer Drive Lags Behind Last Year

Due to unfavorable weather and other factors, the Cancer Drive in Stettler has lagged behind last year's drive. The drive is being conducted by the Stettler Cancer Society, which is a branch of the Canadian Cancer Society. The drive is aimed at raising funds for the purchase of cancer-fighting equipment and for the maintenance of the Stettler Cancer Hospital. The drive is being conducted in the form of a series of fund-raising events, including a dance, a picnic, and a series of lectures. The drive is expected to continue until the end of the year.

Henry Kroegers Move To Consort

Henry Kroegers, a well-known Stettler businessman, has moved to Consort. Kroegers has been in Stettler for many years and has been very active in the community. He has been a member of the Stettler Chamber of Commerce and has been very active in the drive to improve the town. He has been a very successful businessman and has been very generous in his contributions to the community. He is now moving to Consort, where he will continue to be active in the community.

Minutes of Fourth Meeting Of County School Committee

The fourth meeting of the County School Committee was held on Tuesday, May 10, 1960, at 7:30 p.m. in the County Board Room. Present were: Mr. J. E. Guthrie, Chairman; Mr. Clarence D. Buchanan, Mr. Clarence L. Gables, Mr. Othel Watt & Sons, Mr. H. E. Collings, Mr. W. J. Anderson, Mr. G. A. Thompson, Mr. W. J. Anderson, Mr. G. A. Thompson, Mr. W. J. Anderson, Mr. G. A. Thompson.

The meeting was called to order by Mr. Guthrie. The minutes of the previous meeting were read and approved. A report was given by Mr. Watt & Sons regarding the progress of the school construction project. The committee discussed the report and approved the necessary action.

The committee then discussed the financial report for the month of May. It was noted that the budget was being adhered to and that the funds were being properly managed. The committee approved the financial report.

The meeting adjourned at 9:30 p.m. The next meeting is scheduled for Tuesday, May 24, 1960, at 7:30 p.m. in the County Board Room.

These are new graves, they are the twelve new graves opened every day of the year for auto accident victims in Canada.

Statistics are said that every day, twelve new graves are opened in Canada for auto accident victims. This is a sad and alarming fact that should be remembered by all drivers.

Remember the graves you dig may be your own.

Minimum Average Family Farm Income Aim Of National Agriculture Policy

The Minister of Agriculture, J. G. Bennett, today announced that the government's new national agriculture policy aims to ensure that the average family farm income is at least \$10,000 a year.

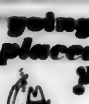

Bennett said the policy was developed after extensive consultation with farmers and agricultural organizations. It sets out a long-term plan to improve the economic position of the farm family.

The policy includes measures to increase farm production, improve farm management, and provide better marketing opportunities for farm products. It also calls for increased government support for farm families, including access to credit and social services.

Bennett emphasized that the government is committed to ensuring that farming remains a viable and attractive occupation for families across the country.

Young Farm People Camp At Gold Eye

A group of young farm people from across the Stettler district are attending a week-long camp at Gold Eye, Alberta, this week.

The camp, organized by the Stettler District 4-H Club, provides an opportunity for young farmers to share experiences, learn new skills, and build friendships.

Activities include field trips, workshops, and social events. The camp is held on the premises of the Gold Eye farm, a well-known agricultural attraction in the area.

Participants are encouraged to bring their own tools and equipment for use in the various projects and demonstrations.

A New Made Of Bee Transportation

The Bee Transportation Co. has announced that it is now offering a new service for the transportation of bees.

The company, based in Stettler, Alberta, specializes in the safe and efficient transport of bee colonies across the province.

The new service includes specialized equipment and experienced drivers to ensure the health and well-being of the bees during transit.

Interested parties are encouraged to contact the company for more information and to arrange for transportation services.

CO-OP WEED SPRAYS -

Weeds rob crops of moisture and reduce crop yields. But you can combat weed growth with the effective use of co-op herbicides. Weeds are easier to kill when they are young, so spray as early as possible. But remember - use the right amount of the right herbicide at the right time. Co-op herbicides, if applied correctly, will effectively control the majority of weeds. Roundup and Seaweedol, two herbicides made by the Stettler Co-op, are the most effective. However, under most conditions MCPA is the preferred herbicide because it can be applied earlier to tender young crops. Buy yours now at the Co-op Farm Supply.

Rumsey News

The Rumsey community is celebrating the 50th anniversary of the town's incorporation. The celebration is being held on Wednesday, June 20, at the Rumsey Community Centre. The program will include a picnic, a band performance, and a fireworks display. The town was incorporated in 1918 and has since grown from a small settlement to a thriving community. The Rumsey Independent is proud to be a part of this special occasion.

Coming For Anniversary

Members of the Rumsey community gathered for the 50th anniversary celebration. The group includes residents of all ages, from children to seniors, posing for a formal group portrait in front of the community centre.

ELECTRICITY

...the biggest bargain in your family budget

With all your electric utility bill in terms of the work electricity has done for you, and no why we say electricity is the biggest bargain in your family budget. Electricity does so much for so little. It cooks, cleans, heats, cools, dries, sews, washes, and entertains for only pennies a day.

The use of electricity in the home is growing constantly, yet the average unit price of electricity is less than half of what it was thirty years ago. Never-ending research and planning for future power requirements enable your electric utility company to provide greater and more dependable electric service at a lower cost.

Make electricity do more work for you - it is the biggest bargain in your family budget.

But the city's residents, including those in the poorest West End neighborhood, don't have much to say about the city's planning process and the city's policies. They have substantial problems, but have no direct say in the city's decisions. In addition, the city's policies are not based on the needs of the poor.

Woolly, intimate, and dramatic settings in this unique abode offer three bedrooms, solid teak, Spanish-tile floors, kitchen, with pantry, fireplace, and great seating area. Also, a dining-in large living room with large windows, facing shopping center and ocean of golf course. (Opposite page 100)

Hold Final Meeting
The Big Valley High School football team meeting at the school gymnasium in the Legion Hall on June 10th.

But relief was answered by the members stating they will not hold one during the year.

If it was generally known that the year would be written down as a success. All the members felt confident about the year.

Bonus
All photo finishing orders received from July 1 to July 31 will get you a free photo. The photo will be given to you when you pick up your photo.

"TALISMAN"

Now You Can Enjoy A LIFETIME HOLIDAY FROM OVEN CLEANING With The New G.E. SELF CLEANING OVEN

Stubborn spatters... crusts-on juices, spillings and
drippings... all just disappear! No cleanser is needed!
No more scrubbing! The user just sets the dials. The
oven is cleaned in about 3 hours by the same kind of
electricity that cooks the food. The specially insulated
oven prevents unusual heating of the kitchen during the
cleaning. (And during normal oven cooking and baking,
it keeps kitchen temperatures lower than ever.) The op-
erating cost is just pennies per cleaning. This range is
absolutely safe and fully approved by C.S.A. for Condi-
on homes.

THE STORY OF A GREAT ADVANCE

By raising the temperature in the oven to approximately 800 de-
grees, food soils instantly vanish. Armed with this principle this new
oven was designed and engineered. New features to assist and relieve
other features had to be worked out. Simple a safe, dependable method of
cleaning dirty ovens.

SAMPLE AS ABC TO OPERATE

Set the oven control to "Clean". Set the "Stop Control" on the meter

"If they deserve recognition"

NOMINATE AN ALBERTA

Nominations C

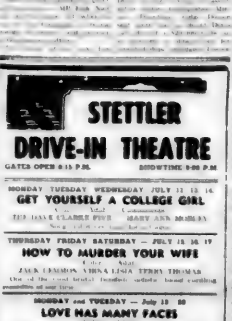

How is your reputation for free recognition where due. How many times have you not felt the same way about your admiration and gratitude for an individual or organization that is doing something for the young citizen, or a deserving group of young citizens? To whom did these exceptional young people receive the recognition? You must have your own reasons for not recognizing them. But you are asked to award to the Junior Citizens of the year or selected by a panel of weekly newspaper editors. Winners will receive a Canada Savings Bond and a letter of appreciation. There are no winners who also receive recognition through the press and an expression of your admiration.

maintaining contributions or have given service to their communities. In the case of individuals it may be on act of physical heroism, or leaders may act heroed under difficult circumstances or exceptional courage during times.

Now You Can Enjoy A LIFETIME HOLIDAY FROM OVEN CLEANING With The New G.E. SELF CLEANING OVEN

Stubborn spatters, crusts-on, juices, spillings and drippings... all just disappear! No cleaner is needed! No more scrubbing! The user just sets the dial. The oven is cleaned in about 3 hours by the same kind of electricity that cooks the food. The specially insulated oven prevents unusual heating of the kitchen during this cleaning. (And during normal oven cooking and baking, it keeps kitchen temperatures lower than ever). The operating cost is just pennies per cleaning. This range is absolutely safe and fully approved by C.S.A. for Canadian homes.

THE STORY OF A GREAT ADVANCE

By raising the temperature of the oven to super-heats, the grease, fat, milk, literally burns. Around this basic principle, the oven was designed and engineered. New features to make it even more convenient and an automatic locking device... these and many other factors had to be worked out. Result: a safe, dependable method of cleaning dirty ovens.

SAMPLE AS ABC TO OPERATE

Set the oven control to "Clean". Set the "Stop/Clean" control to the desired cleaning time. That's all!

It's On Display NOW! BEFORE YOU BUY - SEE THIS RANGE AT... ARMSTRONG'S

VILLAGE OF BIG VALLEY NOTICE OF POLL

PUBLIC NOTICE is hereby given that the following is a true synopsis of Bylaw No. 411 which has been introduced in the Council of the Village of Big Valley and which will be finally passed by the said Council within four weeks from the assent thereto by the Proprietary electors voting thereon. Further notice is hereby given that the proposed Bylaw No. 411 will be submitted to a vote of the Proprietary electors of the Village of Big Valley to be held in the Council Chambers of the Village of Big Valley on the 27th day of August, A.D. 1965 and that the polls will be open from 10 o'clock in the forenoon till 7 o'clock in the afternoon.

SIGNED: "Morel Kerbes",
Returning Officer

Being a By-Law of the Village of Big Village to authorize the Mayor and Secretary/Treasurer of the Village to enter into an agreement with the Canadian Western Petroleum Corporation (CWP) for the purpose of allowing CWP to use the Village and the inhabitants thereof as a pipeline easement for the purpose of transporting oil and gas.

The said agreement will provide as follows:

1. The Village grants to Canadian Western Petroleum Company Limited, its successors and assigns, hereinafter referred to as the "Company," an easement to supply natural gas to the Village and the inhabitants thereof for a term of twenty (20) years.
2. The Village grants to the Company the right to install pipe lines in streets, lanes and alleys and to install within the Village and its limits a station to be made in and around the Village and its limits, together with necessary rights to maintain such pipe lines.
3. The Company will maintain pipe lines at all times on a permanent basis for their former state.
4. The Company will supply as much natural gas as is required to supply the Village and its inhabitants when the pipes or buildings to be supplied with natural gas be along a distribution system of the Company.
5. The Company will not supply natural gas to the property line and install the same.

Howard Pitches Team to Playoff Victory

Howard's team, the Stettler Stingers, defeated the Stettler Indians 10-5 in a game that was a turning point in the playoffs. Howard's pitching was the key to the victory, as he pitched a complete game with 10 strikeouts and only one walk. The Stingers' offense was also strong, with several players contributing to the 10 runs scored.

News Briefs From The 'Heart of the Goose Country'

Stettler, Aug. 14 (C.P.P.) — The High River Library, which is celebrating its centennial, is planning a series of events to mark the occasion. The library, which was founded in 1882, is one of the oldest in the province. The events will include a book fair, a lecture series, and a series of plays. The library is also planning to publish a book about its history. The book will be published in 1982, the centennial year. The library is a valuable resource for the community and is an important part of the town's heritage.

County Receives Legacy Of \$6,156.39 For Scholarships

The Board of Trustees of the Stettler Community Foundation, which was organized in 1954, has received a legacy of \$6,156.39 for scholarships. The legacy was bequeathed by the late Mr. J. H. Stettler, a prominent citizen of the town. The funds will be used to provide scholarships for students attending the Stettler High School. The Board of Trustees is pleased to receive this generous bequest and will ensure that the funds are used to the best advantage of the community.

Leaders Attend State 4-H Congress In Montana

A group of Stettler 4-H leaders attended the State 4-H Congress in Montana. The congress was held in Great Falls, Montana, and was attended by representatives from various 4-H clubs across the province. The leaders participated in various activities, including workshops, seminars, and field trips. They also had the opportunity to meet with other 4-H leaders and to share their experiences. The congress was a success and the leaders returned to Stettler with a wealth of new ideas and inspiration.

Reduction On Street Lighting, Saving of \$243

The Stettler Town Council has approved a reduction in street lighting, which will result in a saving of \$243. The council decided to reduce the number of street lights that are on at night. This will save the town money on electricity bills. The council also decided to increase the number of street lights that are on during the day. This will improve the safety of the streets. The council is pleased with the decision and will continue to look for ways to save money.

Swimming Awards Will Be Made Wednesday At School

Engine Performance Is Vital Factor In Safe Vacationing

By the time you are ready to start your vacation, you will have a long drive home. The most important factor in safe vacationing is the condition of your car. A well-maintained engine is essential for a safe and enjoyable trip. Regular oil changes, filter replacements, and tune-ups are crucial for optimal performance. Don't risk a breakdown on the road by neglecting your car's engine.

SETTLER GIRL WED

Miss Mary Jane Smith, daughter of Mr. and Mrs. J. H. Smith, was married to Mr. Robert J. Brown on Tuesday, August 8, 1966, at the Stettler Baptist Church. The bride wore a traditional white gown and carried a bouquet of flowers. The groom was in a dark suit. The ceremony was officiated by Rev. J. H. Brown. A reception was held at the home of the bride's parents.

Shooting Lake News

The Stettler Shooting Lake is a popular destination for anglers and nature lovers. The lake is known for its large bass and trout. The surrounding area is beautiful with many camps and cottages. The Stettler Shooting Lake is a great place to spend a day of relaxation and recreation. The lake is open from May to October. For more information, contact the Stettler Shooting Lake Association.

Tense Oilers - Truex Struggle

Great Bend Wins Oilers' Annual Baseball Tourney

The Oilers' annual baseball tournament, held in Great Bend, Alberta, on Sunday, August 29, saw the Oilers defeat the Truex team 4-3 in the final game. The Oilers' victory was a hard-fought one, with the game being tied 3-3 in the bottom of the ninth inning. In the top of the tenth, the Oilers scored two runs to win the game. The Oilers' pitcher, [Name], pitched a strong game, allowing only three runs in nine innings. The Oilers' bats were hot, with [Name] hitting a home run in the fourth inning and [Name] hitting a home run in the seventh inning. The Oilers' manager, [Name], praised his team's performance and their ability to come back from behind to win the game.

The Oilers' victory was a significant one for the team, as it marked their first win in the tournament since 1962. The Oilers' fans were cheering loudly throughout the game, and the Oilers' players were determined to win for their fans. The Oilers' victory was a testament to their skill and teamwork, and it was a well-deserved win for the team.

It Was ON To School This Morning

More than 1,300 pupils of the town and county's numerous elementary schools, this year, set to school. With the Stettner school this morning and those from across the county, the children of Stettner and Valley County are in the schools. The first day of school was held at the Stettner school this morning.

School Opens Today Over 1,300 Register

Stettner Elementary School opened its doors this morning with a record number of pupils. Over 1,300 children registered for the first day of school. The school is located in the heart of the town and is one of the largest in the county. The principal, Mr. J. H. Smith, reported that the school is well equipped and ready for the new year. The children are excited and ready to start their education.

Special Meeting On Teaching Big Valley Grade 12

A special meeting of the Stettner Teachers' Association was held this evening to discuss the proposed changes for the Grade 12 curriculum. The meeting was attended by all the teachers and the principal. They discussed the new textbooks and the changes in the curriculum. The meeting was held in the school auditorium and was a successful one.

Big Valley Votes For Gas 96 to 0

The Big Valley community has voted overwhelmingly in favor of the proposed gas tax. The vote was 96 to 0. The tax is to be used for the improvement of the roads in the area. The community is very supportive of the project and is looking forward to the improvements that will be made.

No Human Cases of Sleeping Sickness Here

Health officials in Stettner and Valley County have announced that there have been no human cases of sleeping sickness reported in the area. The disease is a rare and serious condition that is caused by a parasite. It is usually found in tropical regions. The officials are reassuring the public that the risk of contracting the disease is very low in this area.

Monday Labor Day Needed Early

Many workers in the area are requesting that Monday, September 5th, be designated as Labor Day. They argue that it is a day when many workers are not working, and it would be a good day to have a holiday. The request is being considered by the local government.

Stettner Motel Goes Back To Calgary Brewery

The Stettner Motel, which has been closed for some time, is now open again. It has been purchased by the Calgary Brewery and is being renovated. The motel is a large building with many rooms and is located in a convenient location. It is expected to be open by the end of the year.

Independent's Annual Doll Contest Begins September 10

The Independent's Annual Doll Contest is set to begin on September 10th. The contest is open to all children in the area and is a popular event. The winners will receive prizes and their dolls will be displayed in a special exhibit. The contest is a great way for children to show off their creativity and talent.

Gold Medal Comes To Summer Skating School

The Stettner Summer Skating School has been a great success. The students have learned many new skills and have enjoyed the program. The school is now open for the next session. The students are encouraged to continue their skating and to participate in the upcoming competitions. The school is a great place for children to learn and to have fun.

McCarty Family Reunion

The 4th Wedding Anniversary of the pioneer couple Mr. and Mrs. McCarty is being celebrated in Stettner. The group photo shows the family and friends gathered for the occasion. The couple is in the center of the group, surrounded by their children and other family members. The celebration is a joyous occasion for everyone involved.

A Homemade Grain Dryer

By [Name] [Address]

Grain drying is a critical step in the harvesting process for many farmers. A homemade grain dryer can be constructed using materials readily available in the area. The design is simple and efficient, allowing for the drying of large quantities of grain without the need for expensive commercial equipment. The dryer consists of a large, open-topped frame supported by sturdy legs, with a series of horizontal slats or screens inside to allow air to circulate around the grain. A fan or blower system is attached to the back, drawing in fresh air and pushing it through the grain. The grain is loaded into the dryer and the fan is turned on, creating a constant flow of air that dries the grain evenly. The dryer can be used for a variety of grains, including wheat, barley, and oats. It is a valuable addition to any farm's equipment, providing a cost-effective way to dry grain and maintain its quality for storage and sale.

It is also reported that the commercial value of the North American market for the products of the Schenck Group is considerable (approximately a 50 per cent increase).

There are many good reasons about Northern Canada that are peculiar to its economic development, and the basic characteristics of the Canadian market are: a large and growing population; a high standard of living; a high level of education; and a high level of technological development. It has not a serious ethnic conflict, a political or religious divide, or a profound economic crisis. It is a country that is rich in resources and has a high level of technological development.

The Schenck Group is a leading manufacturer of industrial machinery and equipment, and its products are used in a wide range of industries, including mining, forestry, and manufacturing. The company's products are sold in over 100 countries, and its sales are growing rapidly.

OBITUARY

James William "Bud" Smith
 James William "Bud" Smith, 68, of Stettler, Alberta, died at his home on October 8, 1979, after a long illness. He was born on June 15, 1911, in Stettler, Alberta, and was a member of the Stettler United Church. He was a retired electrician and had worked for the Stettler Electric Co. for many years. He is survived by his wife, Mary, and two children, John and Mary. A funeral service will be held on October 11, 1979, at 10:00 a.m. in the Stettler United Church. Burial will be in the Stettler Cemetery.

Service Boards Do A Commendable Job

Service boards do a commendable job of providing information to the public. The Stettler Independent has received many letters from readers who have found the service boards helpful. The boards provide information on a wide range of topics, including local news, sports, and community events. The boards are a valuable resource for the community and we encourage everyone to use them.

Panel Makes Good Case For Closed Swimming Pool

A panel of experts has made a strong case for closing the Stettler swimming pool. The panel, which was formed by the Stettler Board of Education, has concluded that the pool is not safe for use. The panel's report states that the pool is in poor condition and that the cost of repairs is too high. The panel also stated that the pool is not a good use of public funds. The Stettler Board of Education has agreed to close the pool for the 1979-1980 season.

Mayor, Council Sworn; Pool Vote November 12

The Stettler Mayor and Council were sworn in on October 10, 1979. The Mayor is John Diefenbaker and the Council members are Mr. and Mrs. Anderson, Mr. and Mrs. Smith, and Mr. and Mrs. Jones. The Council will meet on November 12, 1979, to vote on the Stettler swimming pool.

1. The first step in the process of creating a new product is to identify a market need. This involves conducting market research to determine what consumers want and what problems they are trying to solve. Once a need is identified, the next step is to develop a concept that addresses that need. This is often done through brainstorming sessions with a team of designers and engineers. The concept is then refined through prototyping and testing, with feedback from potential users being used to make improvements. Finally, the product is launched into the market, and its success is monitored through sales data and customer feedback.

Opposes Swimming Pool At Stettler School

By the Editor

The Stettler School Board has been asked to consider the construction of a swimming pool on the school grounds. This proposal has met with considerable opposition from the community. It is felt that the cost of such a project would be prohibitive, and that the school should concentrate on its primary educational duties. Furthermore, the location of the pool on school grounds is considered unsafe and unsuitable for the purpose. The board is expected to make a decision on this matter in the near future.

WALTER HOURIHAN BELIEVES IN - That Federal aid for education is the most important program with which the federal government should be concerned. He believes that the federal government should be responsible for the education of all children in Canada, and that it should provide the necessary funds to ensure that every child has access to a quality education.

WALTER HOURIHAN BELIEVES IN - Continued expansion of our social programs. He believes that the federal government should continue to expand its social programs, such as the Old Age Pension, the Unemployment Insurance, and the Family Allowance, to ensure that all Canadians have access to the social services they need.

WALTER HOURIHAN BELIEVES IN - A national health program that would ensure the highest standard of health services to every Canadian regardless of his ability to pay.

WALTER HOURIHAN BELIEVES IN - Federal assistance for private industry. He believes that the federal government should provide assistance to private industry, particularly in the form of research and development grants, to encourage innovation and growth in the Canadian economy.

Walter Hourihan believes in working FOR YOU!

Erskine Centennial Grant Of \$2700 Not Earmarked

The Erskine Centennial Grant of \$2700, which was announced by the federal government last year, is not earmarked for any specific project. The grant is intended to be used at the discretion of the local community. The Erskine community is currently considering various options for the use of the grant, including the construction of a new library, the renovation of the town hall, or the creation of a new park. The community is seeking input from its residents on how best to use the grant to benefit the community.

Lumber And Shed Lost In Red Willow Fire

A fire broke out in a lumber yard in Red Willow, Alberta, last night, resulting in the loss of a large quantity of lumber and a shed. The fire started in the shed, which was used for storing lumber. It spread quickly, consuming the shed and the lumber stored inside. The fire department arrived at the scene shortly after the fire started and worked to contain the fire. The cause of the fire is still under investigation.

Canada: Middle Power

By [Author Name] ... Canada's role as a middle power in international relations is becoming increasingly important. The country's unique position allows it to act as a bridge between the superpowers and the rest of the world. This role is being tested as global tensions rise and the need for international cooperation becomes more urgent.

Board of Trade Banquet

Former Town Officials, Editor Are Honored

The Board of Trade of Stettler, Alberta, held its annual banquet on Monday night at the Stettler Hotel. The evening was a memorable one for the many guests who attended the affair. The banquet was held in honor of the former town officials and the editor of the Stettler Independent. The guests included Mayor, Councillors, and other community leaders. The evening was a success, and the guests enjoyed the food and the company of each other. The banquet was a great way to bring the community together and to honor the people who have served the town well.

MR. JIM WALKER
Special Agent 0007,
Stettler, Alberta.

DEAR JIM:

All of a sudden I realize that there are
only thirty-one days until Christmas. Now
it is impossible for me to cover all of Can-
ada this season. East Central Alberta is
one area that I will be unable to reach.

I would like to ask a special favor of
you Jim. I need someone to distribute
Christmas gifts for the Stettler and sur-
rounding area. I have chosen you Jim, be-
cause I know you can do it with your tre-
mendous stock of Christmas gifts.

I am counting on you and your Mens'
Wear Store in Stettler Jim - more instruc-
tions will follow.

THE STATISTICAL INDEPENDENT

THE EDITORIAL PAGE - Independent But Not Neutral

An Important Agency

The Independent's editorial board is a unique institution. It is a group of people who are not affiliated with any political party or organization. They are people who are interested in the issues of the day and who want to provide a fair and balanced view of the news. The board is made up of people from different backgrounds and with different opinions. This makes it a valuable resource for the public, as it provides a range of perspectives on the issues that are important to us.

Liquor Store Services

The Independent's liquor store services are designed to provide a convenient and reliable way for our readers to purchase liquor. We have a wide selection of brands and types of liquor available for purchase. Our prices are competitive and our service is excellent. We also offer delivery services to make it even easier for our readers to get their liquor. This is a valuable service for many of our readers, especially those who live in rural areas or who have limited access to liquor stores.

The County Votes December 4

The County of Nelson is holding a referendum on December 4. The referendum is on the issue of whether or not to amalgamate the County of Nelson with the City of Nelson. This is a very important issue for the residents of the County, as it will determine the future of the County and the City. The referendum is being held to allow the residents to express their views on the issue. It is a chance for them to be heard and to make their voices count.

Sugar and Spice

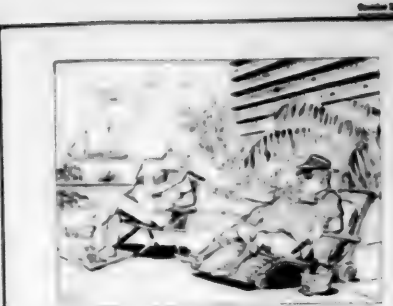

The Independent's Sugar and Spice column is a popular feature that provides readers with a variety of recipes and cooking tips. The recipes are easy to follow and use ingredients that are readily available. The column also includes information on the latest trends in cooking and baking. This is a valuable resource for anyone who is interested in cooking and baking. It provides a wealth of information and inspiration for the kitchen.

These Day Years

The Independent's These Day Years column is a feature that provides readers with a look at the current events and issues of the day. It covers a wide range of topics, from politics to the arts. The column is written in a style that is both informative and entertaining. It provides a valuable insight into the world around us and helps readers to stay up to date on the latest news and events.

1943 - 20 YEARS AGO

On November 1, 1943, the Independent published its first issue. This was a significant milestone for the publication, as it marked the beginning of its long and successful history. The first issue was a small, modest publication, but it has since grown into a major newspaper. The Independent has always been committed to providing its readers with the highest quality news and information. This commitment has been a key factor in its success and its enduring popularity.

The Burden Bearer

The Burden Bearer is a powerful and moving photograph that captures a moment of intense emotion. It shows a person, possibly a soldier or a worker, carrying a heavy burden on their back. The person's face is etched with pain and exhaustion, and their body is hunched over under the weight. The image is a stark reminder of the hardships and sacrifices that many people have endured. It is a powerful statement about the human condition and the resilience of the human spirit.

THE MAIL BOX

LETTERS TO THE EDITOR
The Mail Box is a section of the Independent where readers can write to the editor. It provides a platform for readers to express their opinions on the news and issues of the day. The editor selects the most interesting and relevant letters to publish in the paper. This section is a valuable part of the newspaper, as it allows readers to have their voices heard and to participate in the public discourse.

OF MANY THINGS

Making Fun of Fowler
The Independent's Making Fun of Fowler column is a feature that provides readers with a variety of humorous and satirical pieces. The pieces are written by a team of talented writers and are designed to entertain and amuse the reader. The column covers a wide range of topics, from current events to the quirks of everyday life. It is a popular feature that has been a part of the Independent for many years.

1975 - 40 YEARS AGO

On November 1, 1975, the Independent celebrated its 40th anniversary. This was a significant milestone for the publication, as it marked four decades of service to the community. The Independent has always been committed to providing its readers with the highest quality news and information. This commitment has been a key factor in its success and its enduring popularity. The 40th anniversary is a testament to the dedication and hard work of the staff and the support of the readers.

**Why
are you
headed for
higher
automobile
insurance costs?**

**Because an "average" accident
last year cost \$810... a jump of \$173 in just 5 years**

Automobile insurance rates in most areas of Canada
will increase in 1980. Premiums increase, not only
because of higher repair costs, but also because of
higher replacement costs for new cars.

- Every year the number of accidents in Canada
increases by an average of 10%. This means that the
cost of accidents is increasing. In fact, the cost of an
average accident in 1979 was \$810, a jump of \$173
from 1974. This is why insurance rates are going up.
- And during the past few years, the number of
accidents has increased much faster than the number
of cars that are on the road.
- In fact, the number of accidents has increased
faster than the number of cars.
- Since 1960, the number of accidents has been climbing at
an average of 10% each year. This is why insurance
rates are going up.
- Each accident costs more than it did five years ago.
The result of more expensive and increased cars.

How Good Drivers Have Accidents

Doesn't seem a very good idea to have an accident, but
it can happen to anyone. In fact, statistics show that
every driver has an accident at least once in his or her
lifetime. So, if you are a good driver, you should be
wary of the fact that you can have an accident. This is
why you should be careful and not take any chances.

How many servants do you have?

Thanks to electricity, modern housewives have
dozens of dependable servants ready to work at the
back of a finger. These are kitchen appliances to make
food preparation fun... laundry equipment to pro-
vide added hours in planning... vacuum cleaners
and floor polishers to make short work of
floor maintenance... power tools, lawn and lawn-
mowers to supply greater leisure enjoyment and
entertainment.

Be sure you have all the servants you need to main-
tain a modern home... use the 100% electric servants
as your appliance needs today.

The Computer's Role in Record Analysis

By Robert J. ...
The computer has become an indispensable tool in the field of record analysis. Its ability to process vast amounts of data quickly and accurately has revolutionized the way in which records are analyzed and interpreted. This article explores the various applications of computer technology in record analysis, from the identification of patterns and trends to the generation of detailed reports and summaries. The use of computers in this field has not only increased the efficiency of the analysis process but has also allowed for the discovery of new insights and information that would have been difficult to uncover through traditional methods. As technology continues to advance, the role of the computer in record analysis is expected to grow even further, opening up new possibilities for research and discovery.

Diamond Digest

The diamond is a symbol of enduring love and commitment. It is a precious gemstone that has been treasured for centuries. This article provides a comprehensive guide to the world of diamonds, covering everything from the basics of diamond grading to the latest trends in diamond jewelry. It discusses the importance of understanding the four Cs of diamonds: Carat, Color, Clarity, and Cut. The article also explores the various ways in which diamonds can be used in jewelry, from classic solitaire rings to more contemporary designs. Whether you are looking to purchase a diamond for yourself or as a gift, this guide will provide you with the information you need to make an informed decision.

Where Santa Lives

As the Christmas season approaches, many people are wondering where Santa Claus lives. The answer is that he lives in the North Pole, where he has a workshop and a team of reindeer. He is said to be a jolly old man with a white beard and a red suit. He is also said to be very kind and generous, and he is the one who brings us our presents on Christmas Eve.

Health Minister

Warns Against Use of Ice Balls

By John Warren
The Health Minister, Mr. J. B. McLeod, has issued a warning against the use of ice balls for treating sprains and other injuries. He stated that the use of ice balls can be dangerous and may cause frostbite or other complications. He advised that the use of ice should be limited to a few minutes at a time and that the ice should be wrapped in a cloth or paper before being applied to the skin. He also advised that the use of heat should be avoided for the first 48 hours after an injury.

Who benefits from AGT's expanded communications program?

You do... as one of a half-million Albertans linked with the AGT system who demand, and get the finest service of rates among the best in the nation. You do... as a citizen of Alberta, because AGT's revenue-producing expansion program is giving a boost to Alberta's economy. But specifically... what are some of the benefits you receive as a telephone subscriber?

DIRECT DISTANCE DIALING

By the end of 1965 AGT will have provided long distance service to all areas of the province. This will be a major step in the expansion of the AGT system.

INSTALLATION OF UNDERGROUND CABLES

During 1965 your telephone company will install 100,000 feet of underground cable. This will be a major step in the expansion of the AGT system.

IMPROVED SERVICE

By the end of 1965 AGT will have provided improved service to all areas of the province. This will be a major step in the expansion of the AGT system.

AGT - ALBERTA GOVERNMENT TELEPHONE

Since 1965 AGT has invested over \$200 million in new and improved services. These construction dollars pouring into Alberta's economy mean more telephone jobs and more jobs for supporting industries. They contribute to the prosperity of Alberta and of every community AGT serves. Because of this continuing policy of expansion and improvement, the value of your telephone service has never been greater.

The reason that in this time of economic gloom and gloom, it is possible that we are still long last wearying of strife and sorrow is because of the hope of peace. Let us hope and pray this Christmas Day that the love of tolerance and charity is truly extending across the world.

Bury Raman Had 'Practical' View On Gift Giving

Mr. Raman, who is a member of the board of directors of the Bury Raman Foundation, said that he had a "practical" view on gift giving. He said that he had received many gifts from his friends and family, but he had never received a gift that was as "practical" as the Bury Raman Foundation. He said that the foundation was a "practical" organization that was dedicated to the improvement of the lives of the people of Bury.

EMPLOYERS Canada Pension Plan Deductions Begin Jan. 1st 1966

Employers must deduct contributions from employees who are aged 18 to 70 and paid at a rate equivalent to more than \$800 a year.

Contributions of 1.5% are payable on earnings of between \$800 and \$5,000 a year as set out in The Canada Pension Plan Contribution Tables.

Employers must match contributions deducted from their employees and remit the combined amount. Instructions for remitting are contained in The Canada Pension Plan Contribution Tables, sent to employers in November. If you did not receive these Tables, or if you have any queries regarding the Plan, contact your nearest District Taxation Office.

Some Relief From Cold Possible By The Weekend

Fri and Sat are expected to be the 12th consecutive day and the weather men see no chance of relief before Sat. Sunday, when the pressure system from the Pacific may effect the massive high long over the Prairies.

Temperatures are expected to plunge to a low of 25 below the high reported on 25 below zero.

Reports in Calgary of Stettler were again Monday but closed down Tuesday and before the level was considered hazardous.

Reports in Stettler have been again but are operating with reduced attendance regularly. It was Compactly filled where half of the students are based in from the country.

The worst storm so far this winter moved into the district over the New Year weekend but proved no so extensive south. Snowfalls and blizzards were pretty well on schedule. Things have been very busy in schools as they were used to see in holidays gone but in the snow.

The cold spell has been of greater duration than any in the 1894-6 record-breaking season as the temperature has not reached above 10 below in the past 12 days.

The weathermen are a slight possibility of moderation by Saturday.

Mayor and Council Do Nothing About Weather

How to relieve BACK ACHE

Back ache is a common ailment that can be relieved by a few simple steps. First, you should rest for a few days. Then, you should take some painkillers. Finally, you should see a doctor if the pain does not go away.

**Cardiology Centre For
West Planned For U. of A.**

The University of Alberta is planning a new Cardiology Centre for the West. The centre will be located in the new St. Mary's Hospital, which is being built on the campus of the University of Alberta. The centre will be a major teaching and research facility, and will also provide a high level of patient care. The centre will be headed by Dr. J. Ross Brown, who is currently the head of the Cardiology Department at the University of Alberta. The centre will have a staff of about 50 people, and will have a budget of about \$10 million. The centre is expected to be completed in 1985.

Alberta Wheat Pool To Enlarge Capacity At Donalda

The Donalda Wheat Pool, Ltd., is planning to increase its capacity to handle 100,000 bushels of wheat annually. The expansion project, which is estimated to cost \$1.5 million, will involve the construction of a new grain elevator and the enlargement of the existing one. The project is expected to be completed by the end of 1967.

The Donalda Wheat Pool is one of the largest in the province and handles a significant portion of the wheat produced in the area. The expansion will allow the pool to handle an increasing volume of grain, which is expected to be necessary as production continues to grow.

The project is being financed by the pool's own funds and a loan from the Government of Alberta. The pool's board of directors has approved the project and is currently in the process of obtaining the necessary permits and approvals.

The new elevator will be located adjacent to the existing one and will have a capacity of 50,000 bushels. The enlargement of the existing elevator will increase its capacity to 50,000 bushels as well. The project is expected to create several jobs during the construction phase.

The Donalda Wheat Pool is a member of the Alberta Wheat Producers' Association and is committed to providing efficient and reliable service to its members. The expansion project is a testament to the pool's commitment to growth and development.

The pool's board of directors is composed of representatives from the local wheat producers and is responsible for the overall management of the pool. The board has a long history of successful operations and is confident that the expansion project will be completed on time and within budget.

The pool's facilities are located in Donalda, Alberta, and it serves a large area of the province. The pool's services include the storage, handling, and transportation of wheat and other grain products. The pool is also involved in the marketing of grain and the provision of financial services to its members.

The pool's expansion project is a significant investment in the future of the Donalda Wheat Pool and the wheat industry in the area. The pool's board of directors is confident that the project will be a success and will provide a long-term benefit to the pool and its members.

The pool's board of directors is currently in the process of finalizing the details of the expansion project. The pool's management is committed to ensuring that the project is completed to the highest standards and that the pool continues to provide excellent service to its members.

The pool's board of directors is also responsible for the pool's financial affairs and is committed to ensuring that the pool remains financially sound. The pool's management is confident that the expansion project will be a profitable investment for the pool and its members.

The pool's board of directors is currently in the process of finalizing the details of the expansion project. The pool's management is committed to ensuring that the project is completed to the highest standards and that the pool continues to provide excellent service to its members.

the 1970s, the industry has been hit hard by a combination of factors. The most significant of these is the decline in the number of new entrants into the industry. This has been due to a variety of factors, including the high cost of entry, the need for specialized skills, and the lack of government support. As a result, the industry has become increasingly concentrated among a few large firms. This has led to a loss of competition and a decline in innovation. The industry is now facing a serious crisis, and it is up to us to find a way to revitalize it.

Industrial Development Board to Meet at Stettler

The Industrial Development Board of Stettler is scheduled to meet at the Stettler Hotel on Thursday, February 7, at 10:00 a.m. The board, which was formed last year, will discuss the current state of the local economy and the role of the board in promoting industrial growth. The board's members include representatives from the local business community, the municipal government, and the provincial government. The board's mandate is to identify and promote industrial opportunities in the Stettler area, and to provide advice and support to local businesses. The board's first meeting was held in November, and it was attended by a large number of local business leaders. The board's members are committed to working together to create a more vibrant and prosperous local economy.

Church Holds 60th Annual Meeting; Anniversary Service

The United Church of Stettler held its 60th annual meeting and anniversary service on Sunday, February 3, at 10:00 a.m. The service was held in the church's sanctuary and was attended by a large number of congregants. The service featured a series of readings, hymns, and prayers, and was presided over by the Rev. John MacFarlane. The church's members are proud of the church's long history and its commitment to serving the community. The church's members are also proud of the church's recent achievements, including the completion of a major renovation project. The church's members are looking forward to continuing their work together in the coming year.

House Builders Hold Annual Banquet and Dance

The Stettler House Builders Association held its annual banquet and dance on Saturday, February 2, at the Stettler Hotel. The event was a great success and was attended by a large number of guests. The banquet featured a delicious meal and a series of speeches by the association's members. The dance was a lively affair and was enjoyed by all who attended. The association's members are proud of the association's recent achievements and are looking forward to continuing their work together in the coming year.

Brothers, Allan and Len Brown of Stettler, winners of the Farmers' Spiel Final, pose with their trophy and friends.

Brothers Meet In Farmers' 'Spiel Final

Stettler's Allan and Len Brown met in the final of the Farmers' Spiel Final, a tournament for the first time in the history of the event. The brothers, who are both professional hockey players, played a hard-fought game that ended in a 3-2 victory for Allan. The game was held at the Stettler Community Centre and drew a large crowd of spectators. Allan's goal in the third period was the winning one, as Len was unable to score in the final minutes of the game.

The Farmers' Spiel Final is a well-known event in the Stettler community, attracting players and fans from all over the area. This year's tournament was particularly exciting, with several close games and a high level of play. The Brown brothers' matchup was one of the highlights, as fans were eager to see the two brothers compete against each other. The game was a testament to the skill and determination of both players, and it was a memorable event for everyone who attended.

Wildcats Undeclared In Central Basketball Loop

The Stettler Wildcats basketball team has been declared ineligible for the Central Alberta Intermediate Hockey League. The team, which was formed last year, had been competing in the league, but the league's governing body has ruled that they do not meet the necessary requirements. The Wildcats' manager has expressed disappointment over the decision, but he understands the league's position. The team will continue to play basketball, but they will not be participating in the league's playoffs or other sanctioned events.

Provincial News Roundup

By Ann Swann

Atlanta, Georgia—The Atlanta-Fulton County Stadium, home of the Atlanta Braves, was the site of a historic event on Monday night. The Atlanta Braves, who had been the only team in the National League to have a losing record for the first time in their history, won the game. The Braves' victory was a significant moment in the team's history, as it marked the first time they had won a game since 1991. The game was a closely contested affair, with the Braves leading 1-0 in the bottom of the ninth inning. The Braves' pitcher, Tim Lincecum, was the star of the game, throwing a complete game and allowing only one run. The Braves' victory was a testament to the team's resilience and determination, as they had been struggling throughout the season. The game was a historic moment for the Braves, as it marked the first time they had won a game since 1991. Dear friends,

It is a tribute to the public confidence in Federal directors that over 500 of us have conducted in this country some from families previously so scared by this federal director.

Remember large groupings are up to a Federal director by recommendation for someone has previous full answer. Both public confidence in our greatest satisfaction.

Sincerely,

CANADA'S CENTURY

A new background series on the Centennial of Confederation

Child Of Political Expediency

By G. L. H. H. H.

Canada's new history series, "Canada's Century," is a new background series on the Centennial of Confederation. It is a series of 10 volumes, each dealing with a different aspect of Canadian history. The series is written by a team of historians and is intended to provide a comprehensive and balanced view of Canadian history. The first volume, "The Founding of Canada," deals with the early years of Canadian history, from the first European settlers to the Confederation of 1867. The series is available in paperback and hardcover formats.

Mosses Vaccine Available To All Up To Three Years

The Mosses Vaccine is available to all children up to three years of age. It is a live, attenuated vaccine which provides protection against mumps, measles and rubella. The vaccine is administered in two doses, the first at the age of 12 to 15 months and the second at the age of 15 to 18 months. The vaccine is highly effective and has a very low risk of complications. It is recommended for all children in this age group.

A Cake to Please The Man in Your Life!

For the man who loves a good cake, there is nothing better than a chocolate cake. It is a classic favorite that is sure to please. We have a special recipe for a moist, delicious chocolate cake that is perfect for any occasion. It is easy to make and tastes amazing. Try it today!

The Farm Shelterbelt

The Farm Shelterbelt is a program designed to help farmers protect their land and crops from wind erosion. It involves planting trees and shrubs along the edges of fields to create a natural barrier. This helps to reduce soil loss and improve the overall health of the land. It is a long-term investment that pays for itself over time.

"LEADERS IN MODERN TRANSPORTATION"

This Was A Time Of Great Trials

Through it all, the people of Canada have shown a remarkable capacity for endurance and a determination to overcome adversity. The trials of the past have shaped the character of the Canadian people and have made them a people of great strength and courage.

The trials of the past have been many and varied. There have been wars, there have been famines, there have been natural disasters. But the Canadian people have always risen to the occasion and have always emerged from the trials stronger and more united than before.

The trials of the past have been a great blessing to the Canadian people. They have taught them the value of courage and the value of endurance. They have taught them the value of sacrifice and the value of service. They have taught them the value of unity and the value of peace.

Erskine Variety Concert

Pleases Capacity Audience

During the past few weeks, the Erskine Variety Concert has been a popular event in the community. The concert, which was held at the Erskine Community Centre, was a great success. The audience was very large and the program was excellent. The concert was a great way to raise money for the Erskine Community Centre and to provide entertainment for the community.

Wear what suits YOU best

Tall and lean: Tall, lean men should wear suits with long, narrow lapels and long, narrow ties. This is the only style that flatters their physique.

Average build and height: Men of average build and height can wear almost any style of suit. The only restriction is to avoid extremes.

Average build, medium height: Men of average build and medium height should wear suits with medium lapels and medium ties. This is the most versatile style.

Short and stocky: Short, stocky men should wear suits with wide lapels and wide ties. This style balances their build.

Short and medium weight: Short, medium-weight men should wear suits with medium lapels and medium ties. This is a classic, well-balanced style.
